Fall in industrial growth rate in respect of twenty four industries

217. SHRI JANARDHANA POOJARY: Will the Minister of INDUSTRY be pleased to state:

(a) whether growth rate in twenty four industries during the period April-November, 1996 has fallen to 5% from 11% during the corresponding period in 1995;

(b) if so, the reasons therefor;

(c) the estimated growth rate during the same period in current year; and

(d) the measures Government have taken to achieve the target?

THE MINISTER OF INDUSTRY (SHRI MURASOLI MARAN): (a) to (d) Yes, Sir. The deceleration in industrial growth is however, confined to a few sectors particularly, the crude petroleum fertilizers & power generation etc. Sector specific strategies have been initiated to remove constraints in underperforming sectors. Adequate credit with softened interest will also provide further impetus to growth.

Policy of disinvestment in public sector

218. DR. B.B. DUTTA : Will the Minister of INDUSTRY be pleased to state:

(a) the policy of disinvestment in the public sector;

(b) the revenue generated from such disinvestment so far;

(c) the manner in which Government propose to utilise these revenues;

(d) whether a part of such revenues will be earmarked to create an investment fund for use to strengthen other public sector enterprises; and

(e) if so, present position in regard to such fund?

THE MINISTER OF INDUSTRY (SHRI MURASOLI MARAN): (a) to (e) The policy of the Govt. on disinvestment is spelt out in the CMP of the Govt. An amount of Rs. 9962 crores has been generated from disinvestment since 1991-92. The receipts from disinvestment are credited to the consolidated fund which is a common pool of resources of the Govt. A part of the revenues generated from 1996-97 onward from disinvestments is proposed to be utilised for creating a revolving fund to strengthen the other PSUs. No disinvestment has taken place during 1996-97 so far.
